

Outdoor Art; Garden Sculpture

Teaching Artist: Chris Torrez

Supplies/tools will be discussed during the first class. You may have a couple of these items around the house already. Feel free to wait until meeting in the first class to fine tune any additional supplies or tools you may need. Below are suggestions, there is lots of room for creativity and innovation with what you have or can find. The art center also has donated tile and stained-glass material. Looking at and picking up this donated material will be discussed in the first class.

Recommended Supplies:

- Small bucket
- Sponge
- Pre-mixed grout
- Safety glasses
- Glue (to be discussed in class)
- Hammer
- Tile or glass nippers
- Stained glass
- Ceramic flowerpots, plates, platters, bowls
- Tile, broken plates, cheap plates or vases
- Other discarded items to break up
